

SportX India

Updated MVP Feature List by User Role

1. Athlete / Parent

Feature	Description
Sign Up / Login	Register via phone or email; onboarding captures sport(s), age group, skill level, and city/location.
Digital Profile	Basic info, sport(s)/discipline, achievements, and a media gallery (photos/videos).
Academy Directory	Browse academies by sport, location, contact, fees, facilities, coaches, age groups, and timings.
Search & Filter Academies	Filter by sport, city, state, age group, and price range.
Coach Directory	Browse individual coaches by sport, qualifications, experience, location, and fees.
Search & Filter Coaches	Filter by sport, city, and price.
Book / Enquire with Coaches	Contact a coach in-app to request a session or ask a question.
Trial Listings	Browse trials by name, sport, organizer, date, venue, eligibility, entry fee, contact, and required documents.
Search & Filter Trials	Filter by sport, city, age category, and date range.
Trial Registration	Register for a trial in-app or via an external link where applicable.
Scholarship Feed	Browse a curated, admin-maintained list of active scholarships and schemes with provider, sport, eligibility, amount, and deadline.
Athlete Discovery	Discover other athlete profiles based on sport, location, age group, and shared interests.
Connection Requests	Send, accept, decline, or remove athlete connections.
1-to-1 Athlete Chat	Chat with another athlete after a connection request is accepted.
Report / Block User	Report inappropriate behaviour or block another user.

2. Coach

Feature	Description
Own Profile Creation	Build and edit a listing with certifications, experience, sport(s) coached, fee structure, and location.
Enquiry Inbox	View and respond to booking or enquiry requests from athletes/parents.
Browse Like Any User	Full access to browse and search academies and trials like an athlete/parent.

3. Academy

Feature	Description
Own Listing Creation	Build and edit the academy's listing with sport(s) offered, facilities, location, fee range, and photos.
Trial Posting	Create, edit, publish, and close trial listings under the academy's name.
Registrant Management	View the list of athletes registered for the academy's trials.

Feature	Description
Enquiry Inbox	Respond to enquiries sent by athletes/parents.

4. Talent Scout

Feature	Description
Scout Profile	Create a professional profile with organization/affiliation, sports specialization, experience, and location.
Athlete Discovery	Search athlete profiles based on sport, age group, location, skill level, and achievements.
Advanced Athlete Filters	Filter athletes using relevant profile and sporting criteria such as category, competition level, and achievements.
Athlete Profile Review	View athlete information, sports history, achievements, and available photos/videos.
Shortlist Athletes	Save promising athlete profiles for later review and follow-up.
Contact / Connection Request	Send an enquiry or connection request to an athlete or parent through the platform.

5. Admin (Internal / Platform Team)

Feature	Description
Content CRUD	Add, edit, or delete records directly across any category to seed and correct data.
Listing Moderation	Review flagged/reported listings and remove fake or stale entries.
Content Expiry Rules	Configure and monitor automatic expiry for trials once their date has passed.
Category Management	Manage master lists such as sport types, cities, and age categories.
User Safety Review	Review reports and take moderation action for inappropriate athlete-to-athlete interactions.

6. Organizer (Trial / Tournament)

Feature	Description
Trial Listing Management	Create, edit, publish, and close trial listings.
Tournament Listing Management	Create, edit, and publish tournament listings with format, dates, venue, entry fees, and prize pool.
Registration Management	View the list of registrants and manage event capacity/spots.
Results Publishing	Post brackets or final results once a tournament is complete.

7. Sponsor / Brand

Feature	Description
Sponsorship Listing	Post a sponsorship opportunity with sport, eligibility criteria, and benefits offered.
Athlete Discovery	Browse and search athlete profiles matching sponsorship criteria.
Applications Inbox	Review pitches/applications submitted by athletes.
Shortlisting	Save and shortlist promising athlete profiles for follow-up.

Universal Platform Features

Feature	Description
Universal Search	Single search bar across academies, coaches, trials, and athlete discovery where applicable.
Global Filters	Consistent filters such as sport, age, location, price, and date across relevant sections.
Deadline & Date Reminders	Push notifications as saved trial dates or scholarship deadlines approach.
Report a Listing	Flag a listing as fake, stale, or suspicious.
Chat Safety Controls	Connection approval, block user, and report user controls for athlete-to-athlete chat.

MVP Focus

The core MVP connects athletes and parents with academies, coaches, trials, scholarships, other athletes, and talent scouts. Athlete-to-athlete chat is intentionally limited to a connection-request model rather than a full social-media system.
